HAWKESBURY CITY COUNCIL RECOGNISED AT NSW LOCAL GOVERNMENT AWARDS

Member for Hawkesbury, Robyn Preston MP has congratulated Hawkesbury City Council on their nomination at the recent New South Wales Local Government Awards.

Hawkesbury City Council were nominated for the LGNSW RH Dougherty – Innovation in Special Event Award for their ‘Light Up Windsor’ project.

“I’m incredibly proud of Hawkesbury City Council’s recognition at the Local Government Awards Night, and congratulate them on this honour,” Ms Preston said.

“It is wonderful to see the work our council is undertaking within our community. As a local Councillor myself, I am aware of the many community initiatives which are led by Council which so often go unrecognised. It is wonderful to see Hawkesbury City Council nominated for this project.

“Hawkesbury City Council provides so many services to the local community and it’s wonderful to be part of a Government that supports their work,” Ms Preston said.

Minister for Local Government Shelley Hancock said it was an honour to present the awards on the night, and was thrilled to see so many successful Councils being recognised for their hard work.

“Congratulations to Hawkesbury City Council for their wonderful result at the Local Government Awards Night,” Mrs Hancock said.

“Local Councils are the heart of our communities and it’s great to see such an outstanding Council being recognised for their work.
