

Robyn Preston MP

Member for Hawkesbury
Shadow Minister for Mental Health

MEDIA RELEASE

14th June 2023

b kinder day

22 June

Member for Hawkesbury, Robyn Preston MP today welcome Danny Mayson-Kinder, CEO of b kinder foundation together with students from Arndell Anglican College Hawkesbury, Blight Park Public School Hawkesbury, International Grammar School Ultimo, St Aloysius College Kirribilli and Janjum Redfern College Redfern to State Parliament.

B kinder foundation was established in memory of Billie Kinder. Schools are encouraged to sign up to the foundation and appoint b kinder ambassadors from within their cohort and encourage all students to consider those who may be in need of a kind word or a friendly smile. Encouraging our younger community to be aware of those around them who may be feeling down and in need of a simple gesture of encouragement.

Robyn encourages all to take a moment to visit the foundations website bkinderfoundation.org/info@bkinderfoundation.org#bkinder and in the spirit of the foundation's ethos send or say a kind work to someone you care about or think may be in need of a kind word.
