### NEW AND IMPROVED SCHOOL FACILITIES IN HAWKESBURY

Communities across Hawkesbury are set to benefit from new and improved school facilities thanks to the NSW Government's \$120 million Metro Renewal Program.

Member for Hawkesbury, Robyn Preston MP said the Metro Renewal Program is driven by what school communities want and includes works such as upgrades to canteens, toilet facilities and playground refurbishments.

"I am pleased to see 11 projects in Hawkesbury benefiting our students across the electorate," Ms Preston said.

"The NSW Liberals and Nationals Government are ensuring that students no matter where they live in the state have access to modern learning facilities."

Minister for Education and Early Learning Sarah Mitchell said it is so important to prioritise the delivery of modern facilities to all schools across the state.

"Schools across NSW are receiving upgrades to school halls, canteens and more," Ms Mitchell said.

"The NSW Government funding will provide a boost, not only to local school infrastructure projects and local economy by supporting local tradies, but also help make sure these schools continue to be a proud part of their communities."

List of schools receiving upgrades from the Metro Renewal Program:

1. Freemans Reach Public School - Canteen Upgrade
2. Glenorie Public School - Student Amenities Upgrade
3. Glossodia Public School - Canteen Upgrade
4. Hillside Public School - Student Amenities Upgrade
5. Kurrajong East Public School - Playground Refurbishment
6. Oakville Public School - Learning Space and Computer Room Upgrade
7. Windsor Public School - Sport Court Upgrade
8. Hobartville Public School - Administration and Staff Facilities Upgrade
9. Bligh Park Public School - Toilet Upgrade
10. Windsor Park Public School - Toilet Upgrade
11. Brewongle Environmental Education - Kitchen Upgrade

The projects are identified by school communities and co-funded by the school and the NSW Government.

The NSW Government is investing \$8.6 billion in school infrastructure over the next four years, continuing its program to deliver 160 new and upgraded schools to support communities across NSW. This builds on the more than \$9.1 billion invested in projects delivered since 2017, a program of \$17.7 billion in public education infrastructure.
